

MUHAMMAD IBRAHIM YAHYA

Hello! My name is Muhammad Ibrahim Yahya but you can call me Baim. I'm interested in coding, maintenance, software engineering, networking, gadgets, games, and movies. And i like technology because with technology i can learn about anything.

I always want to get more knowledge by keep learning, responsible for what I'm doing as well and multitasking. I like to solve every problem by my own, either in my personal life or in the field of my job.
